

Latrave Ltd

REACH STATEMENT

Latrave Limited is classed as a downstream user under the REACH (**R**egistration, **E**valuation, **A**uthorization and restriction of **C**hemicals) and taking definition from ECHA (**E**uropean **C**hemicals **A**gency) our products do not contain substances that were included on the candidate list of substances of very high concern (SVHCs).

As we receive all of our raw materials from the UK or within the European Union and our products do not contain any hazardous chemicals they are exempt from registration.

All products manufactured by Latrave Limited are produced solely in the UK

We frequently liaise with our suppliers and from the feedback received we do not anticipate any problems which will affect current and future supplies.
